

Parcel Delivery Solutions

Choose a sending offer that meets your needs

MyPost Business

With a MyPost Business account, your parcels earn you savings and smart sending tools save you time.

- Move through five savings bands – the higher the band, the more you'll save.¹
- Use the online sending portal to create your shipping and return labels,² manage your account, view and track your orders, book pickups³ and send parcels overseas.
- Integrate your MyPost Business account with one of our eCommerce partners to automatically create all your shipping labels and send tracking notifications to your customers.
- Ship to 220+ destinations across the globe, with a choice of two delivery speeds.

Tip: You might consider MyPost Business for staff to process shipping labels for 'ship-from-store' fulfilment on your Business Account.

Parcel Contract

If you're an established business sending over 2,000 parcels per annum, you can unlock more with a Parcel Contract.

- Contract rates based on annual spend.
- An extended range of delivery, pickup, integration and evolved return shipping solutions.

Access the above via the online sending platform or by integrating with our APIs, or one of our eCommerce partners.

Tip: This option is likely to suit you if you are expected to grow significantly in future and require elements of pricing or contract customisation or require specific features that aren't currently available in MyPost Business.

1 Your savings band will be based on your spend on products and services over specific periods using your MyPost Business account, with certain exceptions. Savings are calculated on standard postage rates, and apply to MyPost Business products with certain exceptions. For more information on standard postage rates, the spend requirements of each savings band and a full list of MyPost Business products including the lists of exceptions, read the [MyPost Business Postage Rates Guide](#).

2 The returns service is only available for domestic parcels. The service is only available for postage labels generated through the MyPost Business portal and isn't available for Parcel Post and Express Post prepaid satchels. Standard MyPost Business postage rates and savings apply.

3 The pickup service collects parcels from senders for lodgement into the Australia Post network. Additional charges apply. The pickup service is only available in major metropolitan areas, and its availability in your location will be advised by the on-screen prompts within the MyPost Business online portal. Australia Post may vary at any time the locations where the Parcel Pickup Service is available. We can collect up to 100 parcels at a time. Pickups between 9am and 5pm Monday – Friday, for orders placed before 1pm the day prior. Subsequent parcel delivery in our network is based on the postage services you have purchased. For details, read the [MyPost Business Parcel Pickup terms and conditions](#).
