

eCommerce Sale Event Calendar Partner Asset Toolkit

Help your customers prepare for 2026 sale events

The Australia Post eCommerce Sale Event Calendar is one of our most popular business downloads. The January – June 2026 edition is packed with dates for Australian online sales plus key international sales your customers can participate in to drive expansion.

This Partner Asset Toolkit includes assets you can use to share this valuable resource with your customers.

Asset guidelines

Within the zip file supplied with this deck you'll find artwork files for:

- eDM banners
- Social assets
- eNewsletter assets

The assets have been designed in line with Australia Post Brand Guidelines and are supplied in Photoshop file format. Your logo can be inserted into the artwork where indicated to form a lock-up with the Australia Post logo.

Please link all assets to the Australia Post eCommerce Sale Event Calendar URL:

Partner logos

- Partner logos are positioned in the bottom left corner and the Australia Post logo is positioned in the bottom right corner.
- Partner logos always align horizontally with the Australia Post logo.
- The height of the partner logos must match the height of the Postal Horn circle in the Australia Post logo.

Asset 1 - eDM banners

We've included two eDM banners to choose from. These vary by height and length of messaging.

Please use the larger option of the two wherever possible, to more effectively communicate the eCommerce Sale Event Calendar download to your customers.

Please apply your logo to the Australia Post logo lock-up as per co-branding guidelines.

Asset 2 - Social posts

Within the zip file you'll find imagery and example copy for three different social platforms – see examples below.

Please apply your logo to the assets as per co-branding guidelines.

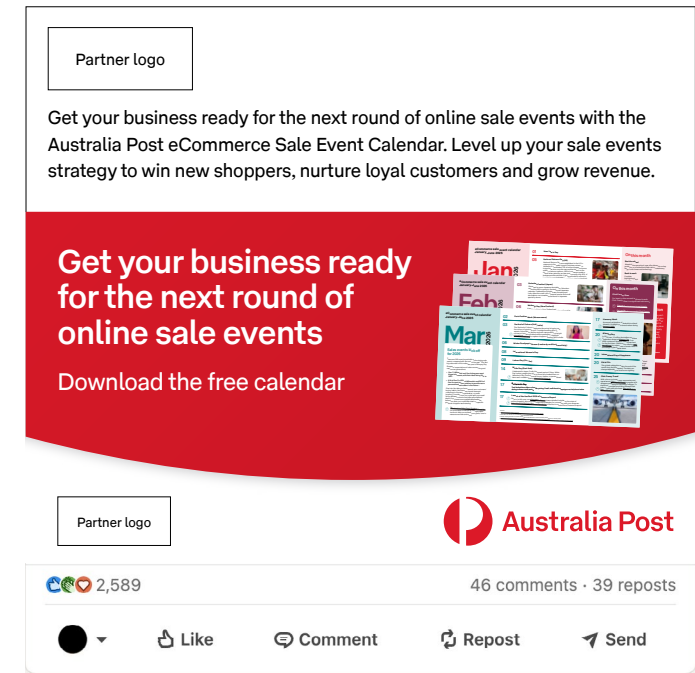

1. FB/Instagram Feed: 1080x1080

2. FB/Instagram Stories: 1080x1920

3. LinkedIn 1200x628

Tip: Use a free link shortening tool like Bitly to reduce the length of the URL in the post copy.

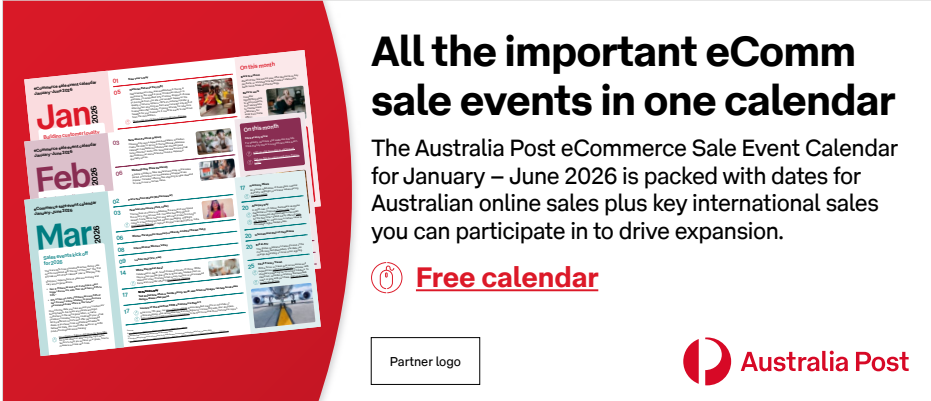

Asset 3 - eNewsletter assets

An eNewsletter asset can easily be added to your existing customer eNewsletters to encourage customers to download the eCommerce Sale Event Calendar.

We've included three options to choose from. Again, if possible please use the larger option to more effectively communicate the calendar to your customers.

Where a space has been designated for a partner logo, please apply your logo to the assets as per co-branding guidelines.
