latest online
shopping insights

According to the Australia Post eCommerce Report 2026, Aussies are spending big online, with 14% year-on-year growth in 2025.¹

How can you grab a piece of this pie?

Our report recommends five key priorities for businesses selling online:

- 1. Highlight value clearly
- 2. Prepare your business for an agentic future
- 3. Think connection, not transaction
- 4. Ride the sales momentum
- 5. Give customers delivery options

05

NAIDOC Week

Now into its fifth decade, [NAIDOC Week](#) explores and celebrates First Nations cultures and histories. This year's theme is '50 Years of Deadly'. If you sell products by Indigenous creators, it's a great time to celebrate them.

07

World Chocolate Day

The Australian chocolate market is valued at AUD\$880.6 million and projected to grow at 6.57% annually.² With customers craving premium and artisan products, this is the moment to let your most indulgent range shine.

Tip: Use [fast delivery](#) so your chocolates arrive in peak condition

24

International Self-Care Day

Celebrate self-care by bundling complementary wellness, beauty or fitness products into a ready-to-gift self-care set, or offer a gift with purchase to introduce customers to a new line.

30

International Friendship Day

Promote gifts, greeting cards and experiences that are perfect for one friend to give to another. A buy one get one free offer is a great fit.

Tip: If you [ship internationally](#), show customers how easy it is to send a gift to friends anywhere in the world

Amazon Prime Day

With the 2025 event recording an enormous 27% year-on-year growth, Amazon Prime Day is an opportunity to defend your market share, test new acquisition tactics, and build campaign momentum heading into peak season.³

Dates announced just ahead of the event.

Winter sales

Now's the time to shift your winter stock. To increase basket size, consider a tiered discount structure e.g. spend \$75 save \$10, spend \$150 save \$30.

Christmas in July

Food and homewares are popular for this fun event. You could test products and bundles you plan to feature in December, giving you real data on what resonates with customers.

Great Singapore Sale

Singapore's annual retail festival drives strong online sales activity, particularly in fashion, beauty and electronics. If you [ship internationally](#), consider a geo-targeted campaign or free-shipping threshold for Singaporean shoppers.

- 03

Picnic Day (NT)

This public holiday in the Northern Territory drives interest in outdoor and leisure products. Consider a geo-targeted campaign in the lead-up promoting all your picnic essentials.
- 08

International Cat Day

Cats are the second-most-popular pet for Aussies, with feline friends in 34% of households. These households spend an average \$1,656 on their cats each year,⁴ making this day perfect for a 24-hour flash sale or bundle offer on cat-related products.
- 08

Royal Queensland Show (aka Ekka)

Celebrating Queensland’s agriculture, food and community, [Ekka](#) is an ideal time to promote locally-made products, regional food brands and family-oriented lifestyle items.
- 09

Book Lovers Day

The books and stationery category is booming, with 24% growth last year – particularly among Millennials.⁵ Try a buy-two-get-one-free promo or bundled set offer to increase basket size or move stock during this event.

- 22

Children’s Book Week

[Children’s Book Week](#) sees beloved book characters come to life in schools around Australia. Use this year’s theme, ‘Symphony of Stories’, to guide your creative content in promoting kids’ books, costumes and craft.

- 26

International Dog Day

Australians spent \$1.4b on pet products online in 2025.⁶ A flash sale on pet accessories, treats or toys gives dog-lovers a feel-good reason to spend during this special event.
- 30

Sydney Marathon

The [Sydney Marathon](#) attracts tens of thousands of runners and supporters every year. If you sell running gear, recovery products or sports nutrition products, you could target the Sydney running community in the lead-up.

On this month

- Afterpay Day**

The second instalment of this [massive sale event](#) draws millions of shoppers across fashion, beauty, homewares and tech. With 73% of Aussie shoppers waiting for sales events before buying,⁷ it’s the perfect opportunity to clear stock or attract new customers before peak season.
- 

Tip: Get your sending sorted before Afterpay Day kicks off with [MyPost Business](#)

- Thailand Grand Sale**

This major retail sale usually runs until mid-August, with shoppers on the hunt for bargains on platforms like Shopee, Lazada and Kaidee; as well as Facebook, LINE and TikTok. If you [ship internationally](#), consider a geo-targeted campaign or free-shipping threshold for Thai shoppers.

06

Father's Day

Gifts for dads cover a wide range of categories. To spark inspiration, consider creating gift guides or ready-made bundles.

Tip: Next-day delivery and clear communication of your cut-off dates are both essential for last minute shoppers

09

9.9 Super Shopping Day (SE Asia)

One of Southeast Asia's biggest online shopping events features large discounts and flash sales, with the best deals landing at midnight. If you already ship to this region, it's a natural fit for a geo-targeted promotion.

10

R U OK? Day

A national reminder to check in with others, this is a day for genuine connection and care. Use R U OK? Day as an opportunity to show your values and build community.

26

AFL Grand Final

It's one of the biggest sporting moments on the Australian calendar, where family and friends gather for backyard BBQs and viewing parties. Tap into finals fever by promoting your team merch and entertaining essentials in the lead-up.

28

King's Birthday (WA)

This public holiday is a reliable retail moment for electronics, homewares and outdoor products in WA. Consider geo-targeting West Aussies with offers aligned with a long-weekend.

On this month

Spring blooms

The start of spring is one of the most reliable seasonal triggers in eCommerce. As shoppers emerge from hibernation, they're eager for fashion, fitness, home and outdoor updates. Give your website a refresh and get ready for bright days ahead.

Tip: Spring clean your sending with [MyPost Business](#)

School holidays

School holidays drive a spike in spending across toys, games, travel accessories and outdoor products. It's the perfect time to promote activities that keep kids busy, bundle family-friendly products or offer fast delivery for parents organising last-minute plans.

Oct2026

Sort your delivery strategy

02

Recreation Day (TAS)

03

Melbourne Cup Day (VIC)

A key retail moment for fashion, millinery, party supplies and food. Offer themed promotions in the week before Cup Day to get involved.

08

Diwali

The Festival of Lights is celebrated widely across Australia’s South Asian community, with traditional clothing, jewellery, home décor and sweets among the most popular gift categories.

Tip: Promote your [international shipping options](#) for customers who want to send gifts to family overseas

09

National Recycling Week

With sustainability front of mind for shoppers, lead with reusable or eco-friendly products this week. It’s also a great time to review your own packaging and delivery practices.

11

Singles Day

Originally a Chinese celebration of singledom, 11.11 has grown into one of the biggest online shopping events in the world. Small and mid-sized brands perform well, particularly those offering electronics, fashion, beauty and home goods.

Tip: Discover new audiences on live shopping platforms like [Whatnot](#)

11

Remembrance Day

On this day of national reflection, brands with a meaningful connection to veterans and community causes have a genuine opportunity to acknowledge the day with care and sensitivity. This is the time to hold off on product promotions.

12

Click Frenzy: The Main Event

Get access to millions of active shoppers. [Sign up early](#) to list your offers on the Click Frenzy site and use the platform’s promotional tools.

Tip: A compelling hero deal tends to drive stronger results than sitewide discounts. Add [next day delivery](#) for eager shoppers.

26

Thanksgiving (USA)

27

Black Friday

Black Friday is a retail phenomenon you can’t afford to miss, with hordes of shoppers hanging out for this massive sale event. Have your offers ready – 81% say they shop around for the best deals.¹⁰

Tip: Build your email list early to tease offers well in advance. Read more in our [Black Friday guide](#).

27

Green Friday

If you run a sustainable business, stand out with your eco-credentials instead of big discounts. Promote your sustainable packaging, ethical sourcing or carbon-neutral delivery options and let shoppers who care about impact find you easily.

28

Small Business Saturday

28

AFLW Grand Final

30

Cyber Monday

Shoppers who have spent the Black Friday weekend researching deals may need a new reason to convert. Think differentiated offers, free shipping, exclusive products or time-limited discounts on key categories.

Dec 2026

Put the AusPost app to work

December is crunch time. With parcels flying out the door, give your customers an easy way to keep track of it all with the AusPost app.

It can help you, too. Businesses whose customers use it get fewer enquiries and see their NPS grow by an average of six points.

Consider promoting the app at these key points in the purchase journey:

- 1. When you send the delivery confirmation or tracking email
- 2. On the confirmation screen at checkout
- 3. Through a dedicated email campaign
- 4. On your website's FAQ or shipping page

04

Hannukah

During the eight-day Jewish Festival of Lights, thoughtful gifts are shared with a focus on food and homewares. Clearly communicate your delivery windows and last order dates; and consider offering gift sets and curated bundles.

Tip: Offer next day delivery for shoppers short on time

12

Double 12 (China and SE Asia) and Harbolnas (Indonesia)

12.12 is the last major shopping event of the year in China and Southeast Asia, while Harbolnas is Indonesia's biggest online shopping day. For both, electronics, fashion and home goods are popular. If you ship to Asian markets, it's your last big promotional push before the new year so consider dedicated promotions and geo-targeted campaigns.

Mid-Dec Free shipping

Free shipping is currently one of the most effective conversion levers. Offer it across your whole store or set a threshold to encourage a higher basket size.

Tip: Inform customers about shipping cut-off dates to drive urgency and last-minute sales

21

Summer Solstice

24

Christmas Eve

With last-minute shoppers scrambling for presents, digital gift cards shine. Make sure digital delivery options are easy to find across your site and social channels.

25

Christmas Day

26

Boxing Day Sales

In 2025, Australians spent \$1.6 billion on Boxing Day alone, with full post-Christmas spend reaching around \$3.8 billion.¹¹ Strong performers are household goods, fashion and electronics. Plan your sales and stock levels in advance.

31

New Year's Eve

Party supplies are the obvious play at year's end. But don't discount the power of New Year's resolutions, which drive real purchase intent across beauty, fitness, homewares and outdoor categories. See who's buying athleisure wear.

On this month

Dubai Shopping Festival (UAE)

This month-long retail event sees strong demand for luxury goods, electronics and fashion. If you ship to the Middle East, the start of December is a good time to target UAE shoppers with a relevant promotion and clear information about delivery times.

Summer holidays begin

Families start shopping for outdoor gear, games, travel accessories and technology in December. To help those stocking up on essentials before setting off on holidays, be clear about your delivery timeframes.

MyPost Business makes sending parcels easy

Smart sending tools get your items to customers as smoothly as possible, including:

- **Simple eCommerce integration**
Connect with eCommerce partners including Shopify to automate shipping label creation and payment. Shopify Plus customers can now easily offer out of home collection options, like Parcel Lockers at checkout.
- **Flexible packaging options**
Use your own packaging or choose from our range of flat rate packaging. It's available in XS to XL sizes, can be used to send up to 5kg, and counts towards your savings bands.
- **One account for shipping domestically and overseas**
Create an international shipping label and enter your customs declaration from the same online sending portal, so you're ready to scale globally right from the start.
- **Stay updated with notifications**
Tracking notifications can give you and your customer more visibility of the item in transit.*
- **Add up the savings**
Save up to 40% on domestic shipping and up to 35% on international shipping as you move up the savings bands.**

*Free tracking available on express and standard post options. Tracking not available for all countries. For more information, check our international post guide <https://auspost.com.au/sending/parcels-overseas/international-post-guide>

**Your savings band will be based on your spend on products and services over specific periods using your MyPost Business account, with certain exceptions. Savings are calculated on standard postage rates, and apply to MyPost Business products with certain exceptions. For more information on the spend requirements of each savings band and for a full list of MyPost Business products including the list of exceptions, visit auspost.com.au/mpbprices.
